

Personal Hygiene Drive

September 11 - October 27, 2017

United Way of Southwest Minnesota is coordinating a personal hygiene drive to benefit area food shelves, crisis programs, schools, etc. Personal hygiene items are an on-going need at various schools and human service providers. They are also not often able to be purchased at low cost by providers who may be eligible to purchase food items from a food bank to serve children, families and seniors in need.

United Way of Southwest Minnesota volunteers will pack kits for distribution during United Acts of Kindness week (November 6th-10th). We will continue to accept/collect items on an ongoing basis and engage volunteers to assist after the targeted drive is complete. This is an ongoing need. All kits will benefit youth, families and seniors in the United Way of Southwest Minnesota service area. **Only brand new; unopened items will be accepted.**

Every Person. Every Community.
